

Analisa Coppens

STUDENT

3409 Keller Street

she/her | (209) 404-9650 | analisa.nicole25@gmail.com | [acoppens25](#)

Skills

I am proficient in technical tools such as GitHub, MEGA, RStudio, and Microsoft Office. My lab and research experience includes PCR, gel electrophoresis, sterile techniques, DNA extraction, and data collection and analysis. I also have strong communication skills and enjoy collaborating in group settings and peer-based projects.
